

Sport-Tek Competitor Tee. ST350

This lightweight moisture wicking Tee has a roomy, athletic cut and controls sweat like a champ. Perfect for hot summer activities and moisture control. Be sure to drink plenty of water as the wicking effect can fool the wearer into thinking that they are not sweating. Whatever the event, if your group needs a no-nonsense tee at a good value, this wicking shirt delivers.

Constructed of 3.8-ounce, 100% polyester fabric, this garment features Double-needle tailoring on the sleeves and hem.

Size Chart

Garment sizes are tough, two shirts both say "Adult Large" might not be the same size. These charts show the measurement of the shirt as it lays flat on a table **not** measurements on a person. "Width" is measured from below where the sleeves connect to the body of the t-shirt and "Length" is measured from the bottom hem to the top of the collar.

Key: Y=Youth, A=Adult, Shirt dimensions are torso width x total height, imprint is WxH
